GENERAL RELEASE: I, the undersigned, certify that the information contained in the medical and dental history is correct to the best of my knowledge. I consent to the release of medical information from my medical doctor, or other health care providers, if required by this dental office. I authorize this dental office to perform diagnostic procedures as may be required to determine necessary treatment. I understand that payment for my dental treatment is due at the time of service, unless otherwise arranged for in advance with office management. I understand that I am responsible for my account with this dental office, and that all of my dependents, and I will not allow payments to be in arrears.

**We need to have your consent to begin communicating with you by text or email.**

Email and text messaging allows us to communicate efficiently for the benefit of our patients. At the same time, we recognize addressed to the wrong person or accessed improperly while in storage or during transmission.

HIPAA requires that providers take reasonable steps to protect against these risks but acknowledges that a balance must be struck between the need to secure personal information and the need to ensure that clinicians can efficiently exchange important patient care information. Stonebridge Dentistry has implemented such measures through obtaining informed consent from patients using any potentially unencrypted electronic format.
